- Interpreters: Arabic male interpreters
- Specializations: Pathologist, Cardiologist, Dentist, Pediatrician
- They DO NOT provide medical reports
- They DO NOT have PEP kits (read tip 1 & 2)
- They DO NOT provide emergency contraception/ morning-after pill (read tip 3 & 4)

Tips!!!

1. In case you or someone you know engaged in unwanted sexual contact without precautions it is important to know that you can receive **emergency treatment for HIV (PEP kits) within 48-72 hours at the hospital of duty.**
2. The hospital that is specialized and can provide **treatment for HIV and other STIs 7 days per week is AHEPA Hospital.**
3. It is important to know that after any sexual contact, to avoid any unwanted pregnancy, you can ask for **emergency contraception pill from the medical centers of the area or from the pharmacy within 72 -120 hours (the sooner the better).**
4. **Try to keep any evidence (exams, medical reports, photos) as proof of the incident.**
